

New Hampshire Department of Transportation

MISSION: Transportation excellence enhancing the quality of life in New Hampshire.

PURPOSE: Transportation excellence in New Hampshire is fundamental to the state's sustainable economic development and land use, enhancing the environment, and preserving the unique character and quality of life. The Department will provide safe and secure mobility and travel options for all of the state's residents, visitors, and goods movement, through a transportation system and services that are well maintained, efficient, reliable and provide seamless interstate and intrastate connectivity.

In Barrington the State of New Hampshire maintains Route 125, 4, 9, 126, 202 and a small portion of Route 202A. If you live on one of these roads and need to report any problems, you should contact District VI in Durham.
